

ActuComp

International Professionals

ActuComp International Professionals originated as an organisation serving Insurance companies and Pension funds with professionals specialised on the edge of actuarial science and ICT with a rich relevant industry experience.

International Consultancy

Because of today's globalization there is need for cross border consulting. ActuComp is a founding member of a global network of related well known consultancy firms (pension advisors, actuarial firms, asset management consultants, lawyers etc.).

Together with our partners we can offer the best solutions with respect to the European and local regulations.

Our reputation has been established by building personal, lasting relationships and by offering our clients informed choices from highly trained consultants. We are ultimately judged on our results. Therefore we offer fast and efficient solutions to your recruitment needs and best career opportunity to those seeking their next move.

We are specialists in selection and recruitment for permanent and temporary positions in financial services. Since our establishment we have become a fixed partner to insurance companies, pension funds and leading consultancy firms. Our quick and professional approach is well known and appreciated.
